Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner informed Mr. Mazza that he had read his response and had found his arguments convincing for claims 24-30; but did not find the arguments convincing for claims 20, 22-23 and 31. The examiner informed Mr. Mazza that the application would be allowed if claims 22, 22-23 and 31 were cancelled. It was agreed that claims 20, 22-23 and 31 could be cancelled by examiner's amendment, but Mr. Mazza reserved the right to prosecute the subject matter of claims 20, 22-25 and 31 in continuation applications. A typographical error in claim 24 was also discussed and it was agreed that it would be corrected by examiner's amendment. .
